

THE FYNBOS BIOME ENTHUSIAST CERTIFICATE

The Fynbos Biome Enthusiast Certificate is for non-guides who wish to be Associate members with FGASA.

To be eligible for the Fynbos Biome Enthusiast Certificate:

- You must be a currently paid-up Associate member with FGASA
- No other qualifications are required to do this certificate

To attain this certificate you will have to be declared competent for the:

- Fynbos Biome Enthusiast Certificate Workbook
- Fynbos Biome Enthusiast Certificate Theory Examination

This Certificate does **NOT** form part of or have any relevance to the FGASA Biome Guide qualification or the Biome elective unit standard, as it is a completely **separate non-guiding** knowledge Certificate.

Associate Membership fee:

R 1000.00 *

*(Includes Registration, Annual Subscription, workbook learner Manual & local postage**)*

Examination fee of R250.00

Free attendance at FGASA talks, Email newsletters and Electronic Field News Magazine and Discounted book prices, Membership card and Fynbos Biome Enthusiast Certificate when competent.
