

SPECIALIST NATURE ENTHUSIAST CERTIFICATE

This certificate is to provide members of FGASA who have already **completed the Advanced Nature Enthusiast Certificate** with the recognition for having further increased their knowledge and understanding of nature.

This certificate is to provide **already qualified FGASA Field Guide (NQF2) and Advanced Field Guide (NQF4) guides** who will not gain the required guiding experience to be eligible for the Specialist Field Guide qualification, with an opportunity to be given recognition for having further increased their knowledge and understanding of nature.

To be eligible for the Specialist Nature Enthusiast Certificate:

- Must be a currently paid-up member with FGASA
- Must have already attained the Advanced Nature Enthusiast Certificate.

To attain this certificate the member must be declared competent for the:

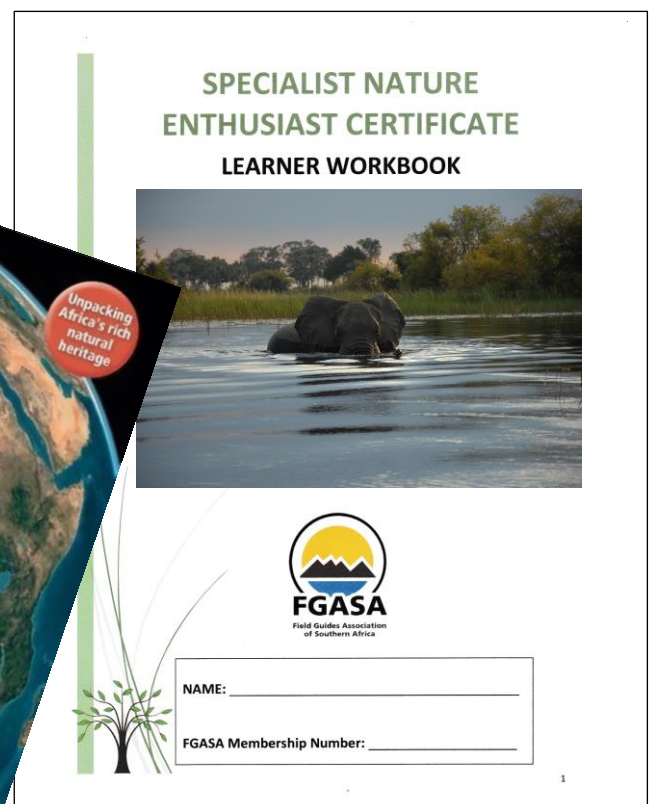

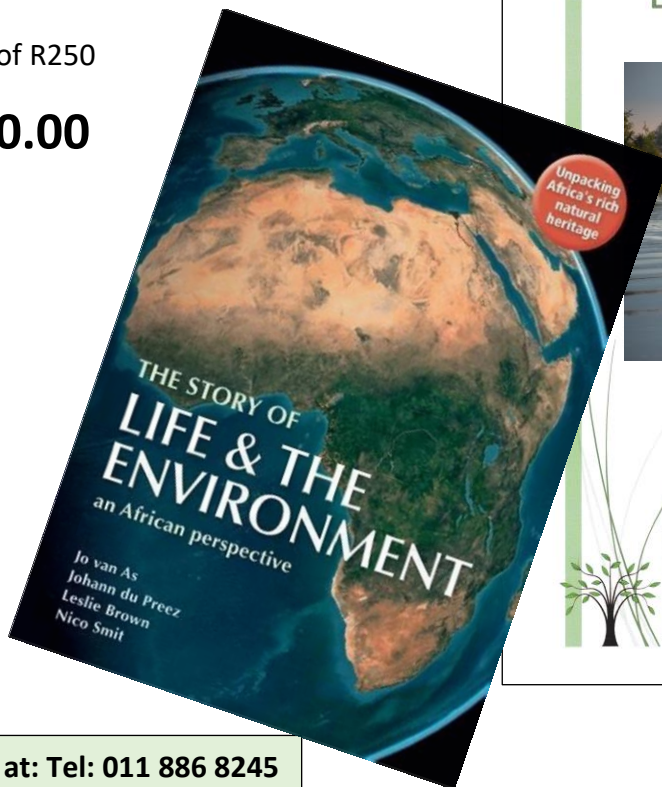

- Specialist Nature Enthusiast Certificate Workbook
- Specialist Nature Enthusiast Certificate Theory Examination

This Certificate does **NOT** form part of or have any relevance to the FGASA Specialist Field Guide (L3) qualification as it is a separate non-guiding knowledge Certificate.
