Dear Member,

As we approach the expiry date of the CATHSSETA legacy programmes in **June 2026**, we are conducting an audit to ensure every qualified member has their CATHSSETA certificate on file. This process helps maintain accurate records and supports your professional profile.

If you have not yet arranged for your certificate to be sent to you, or collected from the FGASA office, please call the office On 011 8868245 or contact Milly in the office, at [cathsseta@fgasa.org.za](mailto:cathsseta@fgasa.org.za) so we can arrange either a collection or postage option that suits you.

If you are in the process of acquiring Nature Site Guide NQF2, Field Guide NQF4 or Trails Guide, **please make sure that you have submitted the following to the office:**

1. Certified current copy of your ID
2. CATHSSETA application form

It is very important to do this as soon as possible as this administration will not be accepted or processed after **May 2026**. **Please note** that a CATHSSETA form needs to be completed and signed, for each new programme.

Thank you for your prompt attention to this matter. We are here to support you every step of the way, and we appreciate your cooperation in keeping our records up to date. Please contact us if you have any queries with regards to the contents of this letter.

Sincerely,

Michelle du Plessis
